Our membership numbers are growing. Here are some of the reasons why:

We are a member-owned, semi-private country club dedicated to golf. Public play is not permitted on Fridays, Saturdays, Sundays, or holidays. Members are always given preference when booking tee times every day of the week.

We have a membership cap of 375, providing an ample freedom of choice when reserving a tee time. It also means an end to the five-hour rounds experienced at most public golf courses.

Full shareholders enjoy additional voting and member benefits.

Complimentary Green Fees at more than 10 reciprocal golf courses.

We also offer a Corporate Pass Holder Program that can be used in an employee incentive or reward program as well as a mean of entertaining customers with or without the Corporate Pass Holder in attendance. The BSCC Corporate Pass Holder Program can be customized to meet your business needs.
